New Amtrain Website Launched

We are celebrating the launch of our new web site.

We have added lots of new content and features to help you when planning your safety training and re-certifications. As well as an exhaustive catalogue, we've included syllabuses of the many courses we offer, from mandatory track safety training to machines and tools, first aid and more.

You can find out about the main additions to the website in this newsletter, or see for yourself at:

www.amtrain.co.uk

(Just Google "Railway Safety Training")

Exclusive Online Discounts.

Every month we will have an exciting offer for you - [Course of the Month](#). A different course will be on offer with exclusive discounts so you keep your eye on our web site to get the best deals. September's Course of the Month is Controller of Site Safety Initial, on offer at a **25% discount** off our normal rates.

Courses and Prices

To find out more details about the training on offer, take a look at our online [Course Catalogue](#).

We've also published our standard [Price List](#) online so you can see just how competitive our prices are.

Subscribe for updates and special offers

Why not subscribe to our online mailing list? Just [click to subscribe](#) and you will receive up to date information on latest offers, course availability, news, forthcoming training events and current affairs. Also you can be kept up to date on rule book changes and Network Rail briefings.

Meet the Team

Click onto the [Company page](#) to meet the team at Amtrain and find out more about us, including the trainers who will be delivering your course.

Frequently Asked Questions

We have a page dedicated to the most common questions that you might want to ask before attending your course. Whether you are thinking of joining the rail industry for the first time and don't know where to start, or are an experienced railway worker with a specific question, take a look at [FAQ's](#). There you will find the answers to questions on Personal Track Safety training, drug, alcohol and medical testing, what to bring when you come to a training event, course duration, location and much more.
