A Happy New Year

2011 was a great year for Amtrain - one of the most successful years since we started providing training courses in 1995. We would like to thank all of our customers for choosing us as their training provider, and look forward to seeing you again in 2012.

(Just Google "Railway Safety Training")

Course of the Month.

We launched our popular Course of the Month offer in September 2011. Each month we select a specific type of training course and offer it at a 20% discount to our normal prices. Our forthcoming Courses of the Month appear below. You can [click here](#) to find out more on our website.

- February - Lookout
- March - Engineering Supervisor Initial
- April - Engineering Supervisor Re-Cert
- May - Controller of Site Safety Initial
- June - Machine/Crane Controller

Courses and Prices

To find out more details about the training on offer, take a look at our online [Course Catalogue](#).

We've also published our standard [Price List](#) online so you can see just how competitive our prices are.

We haven't increased our prices since 2003, other than to meet card fee increases imposed by the NCCA.

Compulsory Network Rail Briefs

Line Clear Verification (LCV) – If your COSS's, ES's, PICOP's or MC's haven't been recertified since 31st December 2011, They must have an LCV brief to work in areas which use axle counters as part of the signalling system according to NR/L3/OCS/084 standard.

Ballast Broom (04/01/2012) – This brief is for Machine/Crane Controller(s) who hold the Ballast Broom attachment, and must be completed before 1st March 2012.

We offer these briefs for £50 each per person or £450 each for up to 12 delegates. To book call 01283 792633 or email sales@amtrain.co.uk

Changes to Assessor courses

Assessment qualifications are changing and by 2015 the award will be known as AG30200 with two distinct units which require guided learning hours. Amtrain have been providing this updated training for over a year.
